ASSIGNMENT

WHEREAS, I (We), Lawrence P. Heren, David L. Hunt and Joyce Thomas, the undersigned inventor(s) having my (our) residence(s) as set forth below, have invented a new invention for:

TRACTOR TRAVELER

as described and set forth in the application executed by me (us) of even date herewith, preparatory to obtaining Letters Patent of the United States therefor; and

WHEREAS, L.R. Nelson, (hereinafter referred to as "Assignee"), a company organized under the laws of Delaware, with its principal place of business at One Sprinkler Lane, Peoria, Illinois 61615 desires to acquire the entire right, title and interest in and to said invention, improvements, application and any Letters Patents which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof in all countries throughout the world;

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I (We) have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors and assigns, the entire right, title and interest in and to said invention, improvements, and into said application and any Letters Patents which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, and I (We) authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said invention or applications, or patents resulting therefrom, insofar as my (our) interest is concerned, unto Assignee in accordance with this Assignment.

I (We) also assign to Assignee, all right, title and interest in and to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs throughout the world, including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and I (We) further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.
