ASSIGNMENT

IN CONSIDERATION of the sum of One Dollar ($1.00) and for good and valuable consideration, the receipt of which is hereby acknowledged, Dr. Zheng Jason Geng, 10605 Concord Street, #500, Kensington, Maryland ("Assignor"), hereby assigns, sells and transfers to Genex Technologies, Inc., a corporation duly organized and existing under the laws of the state of Maryland having a place of business at 10605 Concord Street, #500, Kensington, Maryland ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest in and to the Patents and Patent Applications recited in Appendix A attached hereto and made a part hereof (collectively referred to as "the Patents and Patent Applications"), including any divisions and continuations thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted from said Patents and Patent Applications, and in and to any and all priority rights and/or convention rights under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and to any other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, and I hereby authorize and request the Commissioner of Patents to issue the said United States Letters Patent to said ASSIGNEE, as the assignee of the whole right, title and interest thereto.

And I further agree to execute all necessary or desirable and lawful future documents, including assignments in favor of ASSIGNEE or its designee, as ASSIGNEE or its successors or assigns and legal representatives may from time-to-time present to me and without further remuneration, in order to perfect title in said invention, modifications, and improvements in said invention, applications and Letters Patent of the United States and countries foreign thereto;

And I further agree to properly execute and deliver and without further remuneration, such necessary or desirable and lawful papers for application for foreign patents, for filing subdivisions of said application for patent, and or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid invention, as the ASSIGNEE thereof shall hereafter require and prepare at its own expense;

And I further agree that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to me and will testify as to the same in any interference or litigation related thereto;

And I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

Date 11/27/00
