ASSIGNMENT

THIS ASSIGNMENT, by Robert A. Falcinelli, of 5060 Huntsville Road, Fayetteville, Arkansas 72701, (hereinafter referred to as the Assignor), witnesseth:

WHEREAS, the said Assignor has, with John Allan Magee, invented certain new and useful improvements in the "Directional Image Transmission Sheet and Method of Making Same" as set forth in an application Serial No. 227,055 for and in Letters Patent No. 5,644,431, filed on April 13, 1994.

WHEREAS, the UNIVERSITY OF ARKANSAS, a public institute of higher education existing under the laws and Constitution of the State of Arkansas with offices at 2404 North University Avenue, Little Rock, Arkansas 72207-3608, (hereinafter referred to as the Assignee) is desirous of acquiring the entire right, title and interest in and to said invention and said application and Letters Patent or Patents, United States, and in and to any applications for Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and any other good and sufficient considerations, the receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title, and interest in and to the above-mentioned invention, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

AND for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said Assignor is the sole and lawful owner of the entire right, title, and interest in and to the said invention and the United States Patent above-mentioned, and that the same is unencumbered and that the said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that the said Assignor will, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said

invention, or said United States Patent or Patents, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to the said Assignor, his successors, legal representatives and assigns, but at the cost and expense of the said Assignee, its successors, legal representatives and assigns.
