ASSIGNMENT

For good and valuable consideration, of which we acknowledge receipt, we, Jeffrey L. Strunk and Tracy Kamholtz Butler, of Carrabasset Valley, Maine hereby sell, assign and transfer to Flatwire, Inc., a Maine corporation having an address at RR1, Box 2021, Carrabasset Valley, Maine, its successors and assigns, the entire right title and interest throughout the world in our invention entitled System for Storing and Supplying Wireless Contacts Information as described in the application for United States patent:

filed on _____, Application Number _____

executed on December 5, 2000,

and any and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request any official whose duty it is to issue patents, to issue any and all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 5th day of December, 2000.
