ASSIGNMENT

WHEREAS I, Andrew Dayn (a.k.a. Andrey Dayn) of 4283 Calle Mejillones, San Diego, CA 92130 have invented certain new and useful improvements in RECOMBINASE MEDIATED DNA MODIFICATIONS for which invention I executed an application for Letters Patent of the United States on 31 January 1995, U.S. Serial Number 08/381,634, (now abandoned), from which U.S. Serial No. 08/882,756, filed June 26, 1997 (USPN 5,929,043) is a continuation, from which U.S. Serial No. 09/301,153, filed April 28, 1999 is a continuation; and

Whereas, PANGENE CORPORATION, a corporation of the state of California and having its principal place of business at 2375 Garcia Avenue, Mountain View, California 94043 (hereinafter referred to as assignee) is desirous of acquiring the entire right, title, and interest in and to said invention, said applications and the Letters Patent to be obtained therefore;

Now, therefore, for and in consideration of One Dollar and other good and valuable considerations, to us in hand paid, the receipt and sufficiency whereof are hereby acknowledged, I have sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto the said PANGENE CORPORATION and said assignee's legal representatives, successors and assigns, the entire right, title, and interest in and to said invention, said applications, and the Letters Patent, both foreign and domestic, that may or shall issue thereon; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee agreeably with the terms of this assignment.

I hereby authorize the above-mentioned assignee or its legal representative to insert in this instrument the filing date and serial number of our said application or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

Upon said consideration, I convey to said assignee the right to make application in its own behalf for protection of said invention in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement for any such application the date of the said United States application (or other application if any there be) in priority to other applications; and I do hereby covenant and agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments

and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional renewal, reissued or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chose in action accruing as a result of such application or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of both parties.
