ASSIGNMENT AND AGREEMENT

For value received, We Gary L. Cox of Richmond in the County of Wayne in the State of Indiana, Jack E. Elder of Rochester in the County of Oakland in the State of Michigan, Chad L. Eversole of Richmond in the County of Wayne in the State of Indiana, and Steven A. Dyck of Richmond in the County of Wayne in the State of Indiana, do hereby sell, assign and transfer to Vandor Corporation, a corporation of the State of Indiana, having an office at 1620 Rich Road, Richmond, Indiana 47374 and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **REEL HAVING DEFORMING ENGAGEMENT OF CORE TO FLANGE** described in an application for Letters Patent, Serial No. 09/607,473 filed in the United States Patent and Trademark Office on June 30, 2000, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said invention; and we also concurrently hereby sell, assign and transfer to Vandor Corporation the entire right, title and interest in and to said invention for all countries foreign to the United States, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said invention.

We authorize Vandor Corporation to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States and to invoke and claim for any application for patent or other form of protection for said invention, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Vandor Corporation to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Vandor Corporation in the United States and in all countries foreign to the United States, or to such nominees as Vandor Corporation may designate.

We agree that, when requested, we shall, without charge to Vandor Corporation, but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
