ASSIGNMENT

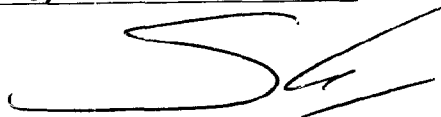

For good and valuable consideration, receipt of which is hereby acknowledged, we
Scherzer, Shimon B and Wong, Piu Bill

hereby sell, assign and transfer to Metawave Communications Corp., a Delaware corporation,
having a place of business at 1684 Dell Avenue, Campbell, California 95008, its successors
and assigns, the entire right, title and interest throughout the world in our invention in:

Handset Diversity In Wireless Communications System

for which we have executed a United States patent application on or about the date of this
assignment, and all patent applications and patents of every country for said invention,
including divisions, reissues, continuations and extensions thereof, and all rights of priority
resulting from the filing of said applications; we authorize the above-named assignee to apply
for patents of foreign countries for said invention, and to claim all rights of priority without
further authorization from us; we agree to execute all papers useful in connection with said
United States and foreign applications, and generally to do everything possible to aid said
assignee, their successors, assigns and nominees, at their request and expense, in obtaining
and enforcing patents for said invention in all countries; and we request the Commissioner of
Patents and Trademarks to issue all patents granted for said invention to the above-named
assignee, its successors and assigns.

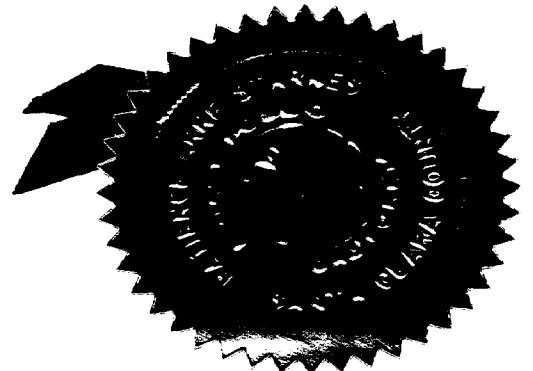

Executed this 13th day of October, 2000.
