ASSIGNMENT

WHEREAS, We, Michael A. Pouchak, of St. Anthony
County of Hennepin, and State of Minnesota
County of _____, of _____
County of _____, and State of _____

have invented certain new and useful improvements in
HUMAN INTERFACE PANEL FOR BOILER CONTROL SYSTEM

for which an application is about to be made for Letters Patent of the United States, said application having been
executed on the ___ day of _____, 2000, the ___ day of _____, 2000, the ___ day of _____, 2000;
and

Whereas, Honeywell International Inc., a corporation organized and existing under the laws of the State of
Delaware, and having its principal offices at 101 Columbia Road, Morristown, New Jersey 07962 U.S.A. is
desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under
any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration to us paid by the said Honeywell International Inc.,
the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do
hereby sell, assign and transfer unto the said Honeywell International Inc., its successors and assigns, our entire
right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic,
that may or shall issue, including all of our rights under any and all international conventions, treaties and/or
agreements concerning patents to which the United States is a party, and we do hereby authorize and request the
Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to
apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the
filing date of said United States application and/or otherwise take advantage of the provisions of any international
convention, treaty and/or agreement.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not
execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or
administrators will at any time upon request, without further or additional consideration, but at the expense of the
said assignee, its successors and assigns, execute such additional writings and do such additional acts as said
assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this
grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or
extended Letters Patent of the United States, or any of and all foreign countries on said invention, and in enforcing
any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or
transactions involving such applications or patents.
