**ASSIGNMENT**

WHEREAS, Terry Protheroe, a citizen of the United Kingdom, residing at 66-22 Fleet Street #3H, Forest Hills, New York, 11375, has invented certain and useful improvements in a **PORTION OF A CARD HOLDER** design for which an application for a Patent of the United States was executed on even date herewith.

WHEREAS, Cole Haan, a corporation of Maine, having a place of business at One Cole Haan Drive, Yarmouth, Maine, 04096-1515 ("Assignee"), is desirous of acquiring in and the entire worldwide legal and beneficial right, title and interest in and to the aforesaid invention, and to any Patents anywhere in the world which may be granted therefor, including the right to claim priority of the respective United States Patent application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Terry Protheroe, by these presents does sell, assign and transfer unto Assignee, its parents, successors, legal representatives and assigns, the full and exclusive right in and to said invention as described in said application, in any and all countries throughout the world and in and to any Patents, which may be granted therefor in any and all countries throughout the world and in and to any and all divisions, reissues, continuations, extensions and renewals thereof, including the right to claim priority of the respective United States Patent application.

AND I HEREBY agree that the said Assignee may apply for and receive Patents, anywhere in the world for said invention in its own name; I further authorize and request the Commissioner of Patents and Trademarks or any other proper officer or agency of any country to record this assignment and issue all said Patents, Design Registrations, Industrial Models, Industrial Designs, Petty Patents, Utility Models, Copyrights, and legal equivalents thereof to said Assignee;

AND I HEREBY warrant and covenant that I own all right, title and interest in and to the aforesaid invention;

AND I HEREBY warrant and covenant that I either had or do have the full right to convey the entire interest herein assigned at the time of the sale, assignment and transfer;

AND I HEREBY warrant and covenant that I have not executed and will not execute any instrument or assignment in conflict herewith;

AND I HEREBY agree to communicate to said Assignee or its representatives any facts known to me respecting said invention, to execute all divisional, continuation, renewal reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention, sign all lawful documents which the Assignee shall consider desirable for aiding in securing and maintaining proper protection for said invention and for vesting title to said invention and to testify in any judicial or administrative proceeding and generally do everything possible to aid said Assignee or any assignee of said Assignee to obtain and enforce said Patents worldwide when requested so to do by said Assignee or any assignee of said Assignee.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 28th day of November, 2000.
