**WHEREAS**, We, Hidenori Sawada and Akihiko Shimasaki, citizens  
of Japan and residing respectively at Hiratsuka-shi, Kanagawa-ken,  
Japan

have invented certain new and useful improvements in Resin Composition for Use in  
Cationic Electrodeposition Coating Composition

for which ma application for LETTERS PATENT OF THE UNITED STATES, which application has been  
duly executed by        on       

**And Whereas**, Kansai Paint Co., Ltd., organized and existing under  
the law of Japan and having its principal place of business at  
33-1, Kanzaki-cho, Amagasaki-shi, Hyogo-ken, Japan  
hereinafter called the assignee, is desirous of acquiring the entire right, title and interest in and to said invention  
within the United States of America and its territorial possessions and all foreign countries and any United States or  
foreign LETTERS PATENT that may be granted therefor.

**Now, this Indenture Witnesseth.** That for and in consideration of the sum of one Dollars, in hand paid  
to us, and other good and valuable considerations, the receipt whereof is hereby acknowledged,  
we have assigned, sold and transferred, and do hereby assign, sell and transfer to the said assignee the entire  
right, title and interest in and to the said invention, within the United States of America and its territorial possessions  
and all foreign countries, and in and to said application for LETTERS PATENT of the United States, and in and to  
all other applications for LETTERS PATENT for said invention in all other countries, and in and to all divisions  
and continuations of any of said applications, and in and to any LETTERS PATENT of the United States and  
foreign countries and all reissues and extensions thereof that may be granted, and the right to apply for LETTERS  
PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to us by  
local laws or by treaty, including any international convention, for the protection of industrial property, together  
with the right to extend the protection of said U.S. LETTERS PATENT to the various territorial possessions now  
owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by  
the assignee for its own use and behoof, and for the use and behoof of its successors or assigns, to the full end of the  
respective terms for which said LETTERS PATENT may be granted, as fully and entirely as the same would have  
been held and enjoyed by us if this assignment sale had not been made. And we do hereby request  
and authorize that any and all LETTERS PATENT, when granted, be issued in accordance with this assignment to  
the assignee.

In further consideration of said sum of one Dollars, and said other good and valuable considerations,  
to us paid, we covenant and agree with the assignee that we have a full and unincumbered title to the  
invention hereby assigned, which title we warrant unto the assignee, and we further agree that we will,  
without demanding any further consideration therefor, at the request but at the expense of the assignee, do all lawful  
and just acts, including the execution and acknowledgment of instruments, furnishing of information and giving of  
testimony, that may be or become necessary for obtaining, sustaining, or reissuing United States and foreign  
LETTERS PATENT for the said invention, and for maintaining and perfecting the assignee's right to said invention  
and LETTERS PATENT, particularly in cases of interference and litigation.
