ASSIGNMENT OF INVENTION

WHEREAS, ARTHUR D. LITTLE, INC., a corporation organized and existing under the laws of the Commonwealth of Massachusetts, and having an address at 25 Acorn Park, Cambridge, Massachusetts 02140 (hereinafter "ADL") has acquired, by assignment, an undivided right, title, and interest in and to the invention identified as the DUAL RISER/DUAL CAPILLARY VISCOMETER FOR NEWTONIAN AND NON-NEWTONIAN FLUIDS (hereinafter "invention") in and throughout the United States, its territories and all countries foreign thereto, and in and to a certain patent application for U. S. Letters Patent, namely U.S. patent application A.S.N. 09/615,340 filed on July 12, 2000 covering said invention, and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

WHEREAS, VISCO TECHNOLOGIES, INC. a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an address at 15 East Uwchlan Avenue, Suite 414, Exton, PA 19341(hereinafter "VTI") entered into an agreement dated May 20, 1998 (hereinafter the "Agreement:") with ADL to develop the said invention and in which Agreement it was agreed that all contributions to the said invention made by any ADL employee(s) shall be owned by VTI;

WHEREAS, ADL and VTI wish to represent said transfer of ADL's right, title and interest in and to the invention to VTI, the application for U.S. Letters Patent, and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon in a form suitable for recording at the United States Patent and Trademark Office;

NOW, THEREFORE, ADL and VTI, intending to be legally bound, and for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, agree as follows:

1. ADL states that pursuant to the Agreement with VTI, ADL has sold, assigned and transferred and hereby sells, assigns and transfers to VTI all of ADL's right, title and interest in and throughout the United States, its territories, and all countries foreign thereto in and to said invention and any improvements thereon, in and to said application for Letters Patent and any and all Letters Patent and any extensions thereof, of the United States and countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or improvements thereon.

2. ADL hereby authorizes and requests the Commissioner of Patents and Trademarks to issue to VTI any and all Letters Patents that may be granted upon the said application above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon.

3. ADL further agrees for itself, its successors, assigns, and its legally bound predecessors to execute, without further consideration, any further legal documents, and any further assignments, and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by VTI, or by VTI's successors-in-interest or assigns, fully to secure to VTI, or to VTI's successors-in-interest or assigns, ADL's interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to any Letters Patent that may be granted on said invention or any part thereof or any improvements thereon.

IN WITNESS WHEREOF, I hereunto affix my hand and seal this 27 day of November, 2000.
