ASSIGNMENT

We, **Bruce L. Golden, Bernard E. Rollin, Ralph V. Switzer, Jr. and Carlton R. Comstock, Jr.** (“Assignors”) made certain new and useful inventions and improvements for which an initial provisional application for Letters Patent of the United States was filed on 09 July 1998, application number 60/092,213, for which a second provisional application with drawings was filed on 10 July 1998, application number 60/092,445, and for which a PCT application was filed 07 July 1999, application number PCT/US99/15337 entitled:

Retinal Vasculature Image Acquisition Apparatus and Method

Colorado State University Research Foundation (CSURF), a corporation existing under the laws of the State of Colorado (“Assignee”) and having its principal offices and place of business at P.O. Box 483, Fort Collins, Colorado 80522, desires to acquire the entire right, title and interest in and to said inventions, improvements and applications in and to any United States Letters Patent and any other United States and foreign patents based thereon.

In consideration of *one dollar* and other good and valuable consideration, of which receipt is acknowledged by each, each Inventor hereby sells and assigns to CSURF his entire right, title, and interest:

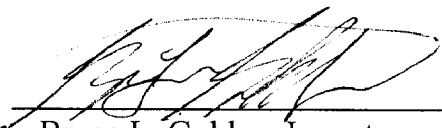

- (1) in said invention or discovery, and
- (2) in all United States and foreign applications filed therefor including but not limited to provisional, divisional, continuation, continuation-in-part, reissue, or reexamination applications, and
- (3) in any Letters Patent which issue in the United States or elsewhere including but not limited to: utility, utility model, or design patents; patents of implementation, improvement, or addition; inventor's certificates; and extensions of any of these, so that said right, title, and interest is held and enjoyed by CSURF, its successors and assigns, as fully and entirely as it would have been held and enjoyed by Inventors had this Assignment and sale not been made.

The Inventors hereby agree to fully execute all documents or papers necessary for obtaining Letters Patent in the United States and elsewhere, and to furnish all data, information, and documentation which may be required for the preparation, filing, and prosecution of applications for said Letters Patent.

Furthermore, we covenant and warrant that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.

Since this Assignment is intended for recording with the Patent Office, the Assistant Commissioner for Patents is hereby directed to issue any patent which may hereafter be granted, to Colorado State University Research Foundation in accordance with this duly executed Assignment.

We sign below to EXECUTE this Assignment Before Patent in Fort Collins, Colorado as made effective on or before the 1st day of July 1998.
