ASSIGNMENT

In consideration of ONE DOLLAR and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged,
I hereby assign to GARY SEBASTIAN

hereinafter referred to as "Assignee"), presently residing at _____
 (or) a corporation of _____
 having its principal place of business at _____

_____, its successors, legal representatives and assigns, ~~the entire~~ a twenty percent
 interest in the United States in my invention or improvements in SNAP-IN CHUCK ASSEMBLY AND
SNAP-IN TOOL

and in the application for Letters Patent of the United States therefor, executed by me on the _____ day of
February, 2000 ~~xxxx~~, and any and all other United States applications which I may file, either solely or
 jointly with another on said invention or improvement, and in any and all Letters Patent of the United States which may be obtained on any of the said
 applications, and in any reissue, re-examination or extension hereof.

I hereby authorize and request the Commissioner of Patents to issue said Letters Patent ~~xxxx~~ for said twenty percent
interest to Gary Sebastian.

I hereby authorize and request the attorneys of record in said application to insert in this Assignment the filing date and Serial Number
 of said application when officially known.

I warrant myself to be the owner of the interest herein assigned, and to have the right to make this
 assignment; and I further warrant that there are no outstanding prior assignments, licenses or other rights in the interest herein assigned.

For said consideration, I hereby agree, upon request of said Assignee, its successors, legal representatives and assigns to
 execute any and all divisional or continuation applications for said invention or improvements thereto, and any necessary oath or declaration or
 supplemental oath or declaration or affidavit relating thereto, and any application for the reissue, renewal, extension or re-examination of any Letters
 Patent that may be granted upon said application, that said Assignee, its successors, legal representatives and assigns may deem necessary or
 expedient; and for said considerations I further agree upon the request of said Assignee, its successors, legal representatives and
 assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, becoming involved in Interference, or in a request for
 re-examination, to cooperate to the best of my ability with said Assignee, its successors, legal representatives and assigns in the matter of
 assisting in the re-examination proceedings, and for said consideration, I further agree to perform, upon such requests, any and all
 affirmative acts to obtain said Letters Patent, and to vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives
 and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors, legal representatives and assigns to the end of the
 term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by me if this
 assignment and sale had not been made, including the right to sue for past infringement, and for said consideration I hereby also assign
 to said Assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or improvements thereto for any
 and all foreign countries and my right to claim priority from U.S. Application Serial No. _____ filed
 _____, under the International Convention for the Protection of Industrial Property or other multinational
 convention for any patent, utility model or industrial design application filed in a country which is a member of any applicable international
 convention for the protection of industrial property and / or under any internal priority legislation of such country; and for said consideration,
I hereby further agree upon the request of said Assignee, its successors, legal representatives and assigns to execute any and all
 documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent, Petty Patent, Utility Model
 Registration or Industrial Design Registration including the prosecution thereof, and to execute any and all documents to vest title in said foreign
 applications, patents, utility model registrations or individual design registrations in said Assignee.
