its successors, assignees and legal representatives (hereinafter called the "Assignee"), the entire right, title and interest,
for the United States in and to certain inventions relating to

RECORDING HEAD, RECORDING METHOD AND APPARATUS USING SAME

and described in an application for Letters Patent of the United States filed on 5/SEP/1995 as Ser. No. 08/523,212
and in and to said application, and all divisions, renewals, and continuations thereof and all Letters Patent of the United
States which may be granted thereon, and all reissues and extensions thereof; and we hereby authorize and request the
Commissioner of Patents and Trademarks of the United States to issue all Letters Patent upon said inventions to the
Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for any application for patent or other
form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International
Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be
substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assign-
ment, consent to file or like document which may be required in the United States for any purpose and more particularly
in proof of the right of said Assignee or nominees to claim the aforesaid benefit of the right of priority provided by the
International Convention for the Protection of Industrial Property, as amended, or by any convention which may hence-
forth be substituted for it.

AND we hereby convenant that we have the full right to convey the entire right, title and interest herein assigned and
that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby convenant and agree that we will communicate to said Assignee or nominees all facts known to us pertaining
to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and
reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper
to aid said Assignee or nominees in obtaining, maintaining and enforcing all lawful patent protection for said inventions
in the United States.
