Whereas, I, one of the the above-identified Inventors, have invented certain new and useful improvements in the invention entitled: FRAME filed herewith (hereinafter referred to as the "Invention") for which I am making application for Letters Patent in the United States of America;

And, whereas I desire to assign 100% interest in said Invention, said application disclosing the Invention and any Letters Patent which may be granted therefor to the above-identified Assignee, and whereas said Assignee is desirous of acquiring the entire right, title and interest for the said Invention;

Now, this indenture witnesseth, that for the sum of one dollars (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged;

I hereby assign, sell and transfer 100% interest in said invention, said application, including any divisions, continuations and continuations-in-part thereof, and in and to any and all Letters Patent of the United States and countries foreign thereto, which may be granted for said Invention and in and to any and all priority rights, Convention rights, and other benefits accruing to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And, I hereby authorize and request the Commissioner of Patent and Trademarks to issue said United States Letters Patent to said Assignee;

And, I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee or its designees as Assignees or its Assignees may from time-to-time present to me in order to perfect title in said Invention modifications and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto;

And, I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense, and to fully cooperate with Assignee and/or its successors and assigns, in any and every action necessary to acquire, maintain and/or enforce any type of legal protection obtainable for said Invention in any country of the world.
