for which we have executed on June 22, 2000, herewith an application for Letters
Patent of the United States, and

WHEREAS,

Gerber Scientific Products, Inc.

a corporation of the State of

Connecticut

having a place of business at

83 Gerber Road
South Windsor, CT 06074

is desirous of acquiring an interest in said invention, said application and the
Letters Patent to be issued therefor;

NOW, THEREFORE, to all whom it may concern, be it known that
for and in consideration of the sum of ONE DOLLAR to each in hand paid and
other good and valuable consideration, the receipt whereof is hereby
acknowledged, we have sold, assigned and set over, and do hereby sell, assign
and set over to said corporation, its successors or assigns, the entire right, title
and interest to and in said invention in the United States and in all foreign
countries, said United States application for Letters Patent therefor and the
Letters Patent when issued; and we do hereby authorize and request the
Commissioner of Patent and Trademarks to issue the Letters Patent based upon
said application to said corporation as the assignees of our entire right, title and
interest to and in the same, for the sole use and behoof of said corporation, its
successors or assigns.

And we also hereby covenant and agree to sign all proper papers
including divisional and other applications for patents and assignments thereof
in the United States and application for patents and assignments in all foreign
countries, and to execute all rightful oaths and to take any other proper action
that may in the judgment of the said corporation be necessary for securing
thereto full rights to said invention, all of the foregoing to be at the expense of
said corporation.
