PATENT ASSIGNMENT

WHEREAS, Aerotherm Corporation, a corporation formed and operated under the laws of the state of California with a principal place of business at 580 Clyde Avenue, Mountain View, California 94043 ("Assignor"), represents and warrants that it is the sole owner of the entire right, title, and interest to United States issued Letters Patents and applications for Letters Patents in the United States (the "Patents and Patent Applications"), which appear in the accompanying Schedule 1.

WHEREAS, ITT Industries, Inc., an Indiana corporation ("Assignee"), having its principal place of business at 1761 Business Center Drive, Reston, Virginia 20190 is desirous of purchasing the entire right, title, and interest in and to the Patents and Patent Applications.

NOW THEREFORE, pursuant to that certain Agreement for the Purchase and Sale of the Assets of Aerotherm Corporation, dated as of September 6, 2000, by and between Assignor and Assignee, and for good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby assign unto Assignee, effective as of September 28, 2000, its entire right, title, and interest throughout the world in, to, the Patents and Patent Applications, and all divisions, continuations, reissues, reexaminations, renewals, and extensions thereof, and all rights of priority under International Conventions and applications for patents that may hereafter be filed for improvements on the Patents and Patent Applications in any country.

Assignor does hereby sell, assign, transfer, and convey to Assignee, its successors, legal representatives, and assigns all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to Assignee, or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringements of the Patents and Patent Applications;

Assignor hereby covenants and agrees that it will communicate to Assignee, its successors, legal representatives, and assigns any facts known to Assignor respecting the Patents and Patent Applications immediately upon becoming aware of those facts, and that it will testify in any legal proceeding involving any of the Patents and Patent Applications, will sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and will generally do everything possible to aid Assignee, its successors, legal representatives, and assigns to obtain and enforce the Patents and Patent Applications in all countries.

IN WITNESS WHEREOF, Assignor has executed this assignment as of September 28, 2000.
