## ASSIGNMENT

I, a below-named inventor of subject matter described in an application for Letters Patent of the United States entitled: **"Bridging a Host Bus to an External Bus Using a Host-Bus-to-Processor Protocol Translator"**, U.S. Serial Number **09/495,041**, attorney docket number **3504P0005**, (Philips ID **US 008019**) filed January 31, 2000, for good and valuable consideration, receipt of which is hereby acknowledged, hereby sell, assign and transfer unto **Philips Electronics North America Corporation**, "Philips" herein, a Delaware corporation having a place of business at 580 White Plains Road, Tarrytown, NY, 10591-5190, its successors and assigns, the entire right, title and interest, including the right of priority in, to and under said application, and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor;

And for the above consideration, I agree promptly upon request of Philips, its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional, or reissue, or other papers which may be necessary or desirable fully to secure to Philips, its successors, and assigns, the inventions described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of interference proceedings involving said inventions and in the adjudication or reexamination of said Letters Patent provided the expenses which may be incurred by me in lending such cooperation and assistance are paid by Philips.
