ASSIGNMENT

WHEREAS, I, Nicholas W. Emerson, of Portland, County of Multnomah, State of Oregon, have invented a certain invention, entitled **STRUCTURAL BRACKET FOR SECURING SPANNING AND SUPPORTING MEMBERS**, for which I am making application for Letters Patent of the United States, said application having been filed on October 13, 2000, and assigned U.S. Patent Application No. 09/688,058; and

WHEREAS, Full Circle Industries, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 3259 NW 29th Avenue, Portland, Oregon 97210, desires to acquire an interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, Nicholas W. Emerson, hereby sell, assign and transfer to Full Circle Industries, Inc., the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Full Circle Industries, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Full Circle Industries, Inc., or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and
