**ASSIGNMENT
(B&W 04027.81437)**

We, **Samuel J. Chen**, a citizen of the United States of America, residing at 18 Fox Run Lane, Lexington, Massachusetts, 02420 U.S.A., **Donald Haurey**, a citizen of the United States of America, residing at 2221 Brookside Drive, Martinsville, New Jersey, 08836 U.S.A., are joint inventors of the inventions or improvements for which we have made application for Letters Patent of the United States in a patent application entitled **Double-Sided Single-Liner Pressure-Sensitive Adhesive Tape**, filed on November 11, 1999, and assigned U.S. Patent Application No. 09/438,181.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer to Tyco Adhesives LP, a Delaware Limited Partnership, of 4400 Providence Highway, Norwood, Massachusetts 02062, its successors and assigns, our entire right, title and interest in and to said patent application and the inventions and improvements disclosed therein, including all priority rights ensuing therefrom under the International Convention and/or any other international treaty to apply for Letters Patent in any and all foreign countries on said inventions and improvements, together with all rights, title and interest in and to any such applications, and any and all Letters Patent of the United States of America and of any and all other countries which may be granted thereon or therefore. Each of us does hereby further sell, assign and transfer to Tyco Adhesives LP, its successors and assigns, all right, title and interest in and to any and all other application(s) in the United States and any and all foreign countries on said inventions and improvements including all corresponding continuation, divisional, renewal, substitute and reissue applications and the like, and all corresponding reexamination certificates. We hereby request the Commissioner of Patents and Trademarks to issue said US Letters Patent to Tyco Adhesives LP, as the assignee.

Each of us does hereby represent and warrant that there are no rights or interests inconsistent with the rights and interests granted herein, and agrees not to execute any instrument or grant or transfer any rights or interest inconsistent with the rights and interests granted herein. Each of us also does hereby bind ourselves and our heirs, executors, administrators and legal

representatives as the case may be, to execute and deliver to Tyco Adhesives LP, its successors and assigns any further documents or instruments and to do any and all further acts that may reasonably be deemed necessary by Tyco Adhesives LP, its successors and assigns to enable Tyco Adhesives LP, its successors and assigns to file patent applications for said inventions and improvements in any country where it or they may elect to file such applications, and that may be necessary to vest in Tyco Adhesives LP, its successors and assigns, the title herein conveyed or intended to be conveyed, and to enable such title to be recorded in the United States of America and foreign countries where such applications may be filed.

And each of us does further covenant and agree to communicate to Tyco Adhesives LP, its successor and assigns upon its request, any facts relating to said inventions and improvements and a history thereof known to me or my executors or administrators, and to testify regarding the same in any interference or litigation when requested to do so by Tyco Adhesives LP, its successors and assigns.

IN TESTIMONY WHEREOF, I, **Samuel J. Chen**, have hereunto set my hand this 27th day of December, 2000.
