I hereby declare that I am the sole inventor of the invention relating to AUTOMATED BULK BOX STRAPPER described in an application for Letters Patent of the United States of America filed on Concurrently Herewith or if not identified here by filing date and serial number, executed by me on even date with my execution of this Assignment/Agreement.

For valuable consideration received, I hereby sell, assign and transfer to **INTERNATIONAL PAPER COMPANY**, a corporation duly organized and existing under the laws of the **New York**, United States of America, its successors, and assigns, my entire right, title and interest, for all countries in and to said inventions, and all the rights and privileges under any and all Letters Patent that may be granted therefor, and any divisions, continuations, reissues and extensions thereof.

I agree that, when requested, I will, without charge to said corporation but at its expense, sign all papers, take all rightful oaths, make all rightful declarations, and do all acts which may be necessary, desirable, or convenient for securing and maintaining patents or other forms of protection for said invention in any and all countries and for vesting title thereto in said corporation, its successors, assigns, or nominees.

I agree that I will communicate to said corporation or its representatives any facts known to me respecting said invention, and when requested by said corporation, and at its expense, will testify in any legal proceedings, and generally do everything possible to aid said corporation, its successors, assigns, and legal representatives or nominees, to obtain or enforce proper protection for said invention in any and all countries.

I hereby consent that a copy of this assignment/agreement shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document which may be required in any country for any purpose and, more particularly, in proof of the right of the said corporation or its successors, assigns, or nominees to apply for patent or other proper protection for said invention and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
