ASSIGNMENT

WHEREAS, I, THOMAS M. MULLEN, JR., a citizen of the United States of America, residing at 120 Dunellen Avenue, Dunellen, New Jersey 08812, as assignor, have invented a new and original 90° SEALING NUT, for which an application for United States Letters Patent was filed on August 11, 1999 and was given U.S. Appln. Serial No. 09/367,324.

WHEREAS, HEYCO PRODUCTS, INC., a New Jersey corporation, having a place of business at 1800 Industrial Way North, Toms River, New Jersey 08755, as assignee, is desirous of acquiring all right, title and interest in and to said invention, said application and any Letters Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor, hereby sell, assign and set over to said assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid application, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for Letters Patent on said invention and all assignments thereof to said assignee or its assigns, to

communicate to said assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said assignee.
