A S S I G N M E N T

WHEREAS, we, David E. Kays, Jr., of Bellevue, County of King, State of Washington, and Vibhas D. Chandorkar, of Issaquah, County of King, State of Washington, have invented a certain invention entitled a Remote Procedure Call Method for which we are making application for Letters Patent of the United States, said application having been filed by us on the 24th day of April, 1995, receiving Serial No. 08/428,318; and

WHEREAS, Microsoft Corporation, a corporation organized under the laws of the State of Washington, having a place of business at One Microsoft Way, Redmond, Washington 98052, is desirous of acquiring an interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, David E. Kays, Jr. and Vibhas D. Chandorkar, hereby sell, assign and transfer to Microsoft Corporation, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Microsoft Corporation, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Microsoft Corporation, or its successors and assigns, any facts known to us respecting said invention, and

ASSIGNMENT - PAGE 1 OF 3

testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Microsoft Corporation, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.
