ASSIGNMENT

WHEREAS, MARY K. BONCUTTER, of Newport Beach, California, Assignor, has invented a new, original and ornamental design for A SHOE, for which an application for United States Letters Patent was executed by her on November 4, 2000 (Attorney Docket No. R&S 045402); and

WHEREAS, Assignor believes herself to be the first, original and sole inventor of the invention disclosed and claimed in the application for Letters Patent; and

WHEREAS, R & S Trading Company, Inc., a California corporation, having a place of business at 17352 Von Karman Avenue, Newport Beach, California 92614-6204, Assignee, desires to acquire by formal, recordable assignment Assignor's entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, Assignor's entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, she and her legal representative(s) and assign(s) will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successor(s) and assign(s), to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

Assignor represents and warrants that she has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignor authorizes and requests the Commissioner of Patents of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or on any subsequently filed division, continuation, continuation- in-part or reissue application, to Assignee, its successor(s) and assign(s), as the assignee of Assignor's entire interest in the invention.

Assignor further authorizes and requests insertion below of the serial number and filing date of the application, when officially known.

Serial No. 29/129,097

Filing Date: September 7, 2000
