ASSIGNMENT

WHEREAS, I, Donald W. Berrian, citizen of the United States of America and resident of the City of Topsfield, County of Essex, and State of Massachusetts, have invented a new and useful improvement in

System And Method For Uniformity Enhancement During Ion Implantation

for which I am about to make application for Letters Patent of the United States; and

WHEREAS, MultiLevel Metals, Inc., a corporation duly organized under the laws of the State of Massachusetts and having its principal office and place of business at 24 Cherry Hill Drive, Danvers, MA 01923, is desirous of acquiring the entire interest in and to the said invention and in and to the Letters Patent to be obtained therefor.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I, Donald W. Berrian, have sold, assigned and transferred, and by these presents do sell, assign and transfer, unto the said MultiLevel Metals, Inc., the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;
- (b) said application;
- (c) any and all refilings, divisions, continuations and continuations-in-part of said application;

(d) any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions, continuations and continuations-in-part;

(e) any and all reissues and reexaminations of said Letters Patent of the United States of America;

(f) any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;

(g) any and all refilings, divisions and continuations of said foreign-filed applications;

(h) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and

(I) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said MultiLevel Metals, Inc. for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.

Signed this 19th day of January, 2000.
