RELEASE OF SECURITY INTEREST IN PATENTS AND PATENT APPLICATIONS

This Release of Security Interest (herein referred to as "Release") in Patents and Patent Applications (herein referred to as "Patents"), dated September 29, 2000, is made by KeyBank National Association, a National Banking Association, with offices at 127 Public Square, Cleveland, Ohio 44114 (herein referred to as "Lender");

WHEREAS, Lumitex, Inc., an Ohio Corporation, with offices at 8443 Dow Circle, Strongsville, Ohio 44136 (herein referred to as "Borrower"), previously granted a security interest in the Patents identified in Schedule A attached hereto to Lender pursuant to which Borrower incurred certain Obligations and Liabilities to Lender and granted a mortgage, security interest in and/or a first priority lien on the Patents then existing and thereafter arising or acquired as described in Schedule A, attached hereto, as security for the Borrower's Obligations and Liabilities, and Borrower now desires to sell the business and assets of its SolidState Business Unit, which assets include Patents and equipment previously pledged to Lender;

WHEREAS, evidence of the security interest granted to Lender under the Security Agreement in the Patents then existing and thereafter arising or acquired was recorded in the U.S. Patent and Trademark Office at reel/frame 010144/0284;

WHEREAS, the Borrower has satisfied the Obligations and Liabilities with regard to the Patents described in Schedule A and has requested that Lender release its security interest therein with respect to the assets of the SolidState Business Unit;

WHEREAS, in consideration of this Release, Borrower hereby releases and discharges the Lender and its shareholders, directors, officers, employees, attorneys, affiliates and subsidiaries from any and all claims, demands, liability and causes of action whatsoever, now known or unknown, arising prior to the date hereof out of and in any way related to the extension or administration of the Obligations and Liabilities of the Borrower as defined by the existing Agreements between Lender and Borrower, or any mortgages or security interests related thereto;

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Lender hereby releases its mortgage, security interest in and/or first priority lien on the Patents described in Schedule A, provided, that the foregoing Release shall not affect or modify Lender's security interest in and/or first priority lien on any other Patents or collateral of Borrower.

KeyBank National Association
