ASSIGNEE:

The Tapmatic Corporation
802 Clearwater Loop
Post Falls, ID 83854

BACKGROUND OF THIS ASSIGNMENT:

Inventors have conceived certain new and useful inventions disclosed in a United States patent application titled Self-Reversing Tapping Attachment which is Self-Synchronizing and Self-Adjusting.

Inventors are employees of The Tapmatic Corporation, and part or all of Inventors' duties include inventing and product development.

The Tapmatic Corporation (hereinafter referred to as "ASSIGNEE") therefore owns the entire right, title and interest in said inventions and with respect to any Letters Patent that may be granted with respect to the inventions in both the United States and in all foreign countries.

THE PARTIES AGREE AS FOLLOWS:

In consideration of good and valuable consideration and the employment relationship, the receipt of which is hereby acknowledged, Inventors do hereby sell, assign and transfer to The Tapmatic Corporation the entire right, title and interest in the above-identified application executed concurrently with this assignment and to any reissues, divisions or continuations thereof, and hereby authorize the Commissioner of Patents and Trademarks to issue such Letters Patent to The Tapmatic Corporation for the sole use of The Tapmatic Corporation, its successors or assigns. This transfer includes any Letters Patent that may be granted in the United States or in any foreign countries.

INVENTORS further agree to execute, at the request and expense of The Tapmatic Corporation such other formal documents as may be required to fully convey or record the interest transferred herein and will similarly execute any application papers required for the filing of any division, continuation or reissue of the patent application or resulting Letters Patent; and will generally do everything necessary or desirable to obtain and enforce proper protection for the inventions assigned hereby.

INVENTORS further assign to The Tapmatic Corporation the whole right, title and interest in the inventions disclosed in the application throughout all countries foreign to the United States. The Tapmatic Corporation is hereby authorized to apply for patents relating to the inventions in its own name in countries where such procedure is proper; to claim the benefit of the International Convention; to file and prosecute International Applications relating to the

1 inventions under the Patent Cooperation Treaty; and to file and prosecute
2 applications relating to the inventions under the European Patent Convention.
3 INVENTORS agree to execute applications relating to the inventions in those
4 countries and under those conventions where it is necessary that the same be
5 executed by the inventors, and to execute assignments of such applications and the
6 resulting Letters Patent to The Tapmatic Corporation, as well as all other
7 necessary papers in relation to such applications and Letters Patent.

8 Signed at Post Falls, Idaho on the 17th day of
9 January, 2000.
