## ASSIGNMENT

For and in consideration of the sum of One Dollar (\$1.00) to Realty Electronics, Inc., a Wisconsin corporation having its principal place of business at 195 N. Main Street, Fond du Lac, WI 54935, (hereinafter referred to as "Assignor"), paid by Radio Technologies LLC, an Illinois limited liability company having its principal place of business at 2024 Harrison Street, Glenview, Illinois 60025 (hereinafter referred to as "Assignee") and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, Assignor hereby sells, assigns and conveys, unto Assignee, its successors and assigns, the entire right, title and interest -

(1) in and to an invention entitled "AM transmitter having single turning means for oscillator, carrier isolator and antennae" for which Assignor has executed United States patent application Serial No. US1987000080639, filed July 31, 1987, which issued March 28, 1989, with the Patent No. US4817193;

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted;

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed

shall be filed in the name of my Assignee with a claim to priority based on said United States application;

(5) in and to all the trademarks listed on the attached Exhibit A, together with the goodwill of the business to which they pertain, and including federal, state and foreign registrations or applications for registration of said trademarks;

(6) in and to the domain name "TALKING HOUSE.COM" (the "Domain Name"), together with all rights and goodwill associated with said Domain Name.

And Assignor hereby agrees that it will, upon demand of Assignee, its successors or assigns, and without further consideration to Assignor, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by Assignor.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said United States patent or patents to Assignee.
