ASSIGNMENT

WHEREAS, **ANDREW EDWARD REYNOLDS**, residing at 21932 – 3rd Drive SE, Bothell, WA 98021, and **STEPHEN W. BURNETT**, residing at 10 Green Meadow Lane, Bedford, NH 03110, have made certain new and useful inventions in **METHOD AND APPARATUS FOR BAR CODE ASSOCIATION FOR WIRELESS NETWORK**, and have disclosed the same in an application for Letters Patent of the United States therefor, said application was filed with the U.S. Patent and Trademark Office on September 14, 1998, bearing Serial Number 09/152,996; and

WHEREAS, **INTERMEC IP CORP.**, a corporation organized and existing under the laws of the State of Delaware, having a place of business at 21900 Burbank Boulevard, Woodland Hills, California 91367-7418; and **WELCH-ALLYN DATA COLLECTION, INC.**, a corporation organized and existing under the laws of the State of New York, having a place of business at 4619 Jordan Road, Skaneateles Falls, New York 13153 (hereinafter collectively called the "Assignees") are desirous of jointly acquiring the entire interest in all inventions disclosed in said application.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations to us paid by said Assignees, the receipt and sufficiency whereof is hereby acknowledged, we do hereby sell, assign, and transfer unto said Assignees, their successors and assigns, the entire right, title and interest throughout the world in and to all said inventions disclosed in said application; and in and to said application, including all priority rights for other countries arising from said application; and in and to all substitutions, provisionals, divisions, and continuations thereof; and in and to all Letters Patent, United States and foreign, that may be granted for said inventions; and in and to all extensions, renewals, and reissues thereof.

And we do hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignees, their successors and assigns, as assignees of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, we do hereby, for us and for our legal representatives, further covenant and agree with said Assignees, their successors and assigns, that we have full and unencumbered title to the inventions and application above described and hereby assigned, which title we warrant unto said Assignees, their successors and assigns; that we have granted to others no license to make, use, or sell said inventions; and that we will not execute any instrument in conflict herewith.

And for the consideration aforesaid, we do hereby, for us and for our legal representatives, further covenant and agree with said Assignees, their successors and assigns, that upon request we will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignees,

their successors and assigns, any facts known to us relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for said Assignees, may be necessary or convenient to secure the grant of Letters Patent to said Assignees, their successors and assigns, or its nominees, in the United States and in all other countries where said Assignees may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for said Assignees, and to vest and confirm and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable them to record said title, without further consideration than now paid but at the expense of said Assignees, their successors or assigns.
