United States patent disclosing and identifying the invention:

1.        On the        day of           , 2001;

Or

2.   x   Said application having SC/Serial Number 09/670,181  
and filed on the 25<sup>th</sup> day of September, 2000.

WHEREAS CleanWax, LLC (hereinafter termed "Assignee"),  
a corporation of the State of Oregon, having a place of business  
at 1033-B Wilson St., Eugene, State of Oregon, wishes to acquire  
the entire right, title and interest in and to said application  
and the invention disclosed therein, and in and to all embodiments  
of the invention disclosed therein, and in and to all embodiments  
of the invention, heretofore conceived, made or discovered jointly  
or severally by said Inventor, and in and to any and all patents,  
certificates of invention and other forms of protection thereon  
(hereinafter termed "patents") applied for or granted in the  
United States and/or other countries.

NOW THEREFORE, for good and valuable consideration  
acknowledged by each of said Inventor to have been received from  
said Assignee:

1. Said Inventor does hereby sell, assign, transfer and  
convey to said Assignee, the entire right, title and interest (a)  
in and to said application and said invention; (b) in and to all  
rights to apply in any or all countries of the world for patents,  
certificates of invention or other governmental grants on said  
invention, including the right to apply for patents pursuant to  
the International Convention for the Protection of Industrial  
Property or pursuant to any other convention, treaty, agreement or  
understanding; (c) in and to any and all applications filed and  
any and all patents, certificates of inventions or other  
governmental grants granted on said invention in the United States  
or any other country, including each and every application filed  
and each and every patent granted on any application which is a  
division, substitution, or continuation of any of said  
applications; (d) in and to each and every reissue or extension of  
any of said patents; and (e) in and to each and every patent claim  
resulting from a reexamination certificate for any and all of said  
patents.

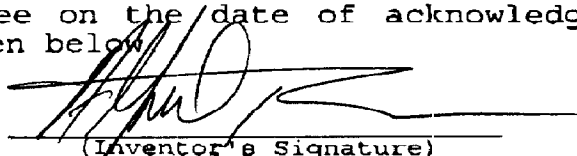

2. Said Inventor hereby covenants and agrees to cooperate

with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest herein conveyed in the United States and other countries. Such cooperation by said Inventor shall include prompt production of pertinent facts and documents, giving of testimony, executing of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for complying with any duty of disclosure; (c) for prosecuting any of said applications; (d) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (e) for filing and prosecuting applications for reissue of any of said patents; (f) for interference or other priority proceedings involving said invention; and (g) for other patent office related proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, and reexamination proceedings; provided, however, that the expense incurred by said Inventors in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this Assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding on said Inventor, and his or her heirs, legal representatives and assigns.

4. Said inventor hereby warrants and represents that he or she has not entered and will not enter into any assignment, contract or understanding in conflict herewith.

IN WITNESS WHEREOF, said Inventor has executed and delivered this instrument to said Assignee on the date of acknowledgement before the Notary Public as given below
