## ASSIGNMENT

WHEREAS, We, Alison K. Brown, Peter K. Brown, Amir H. Matini, and John D. Norgard have invented certain new and useful Improvements in MINIATURE PHASED ARRAY ANTENNA SYSTEM described in United States Patent Application Serial No. 09/395,550 filed September 14, 1999; and

WHEREAS, NAVSYS Corporation, a Colorado corporation having its principal place of business at 14960 Woodcarver Road, Colorado Springs, Colorado 80921, is entitled to ownership of our entire right, title, and interest in, to, and under said United States patent application, the inventions covered thereby, and any patents that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in consideration of Ten Dollars (\$10.00) to us in hand paid, the receipt of which is hereby acknowledged, and other good and valuable consideration, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said NAVSYS Corporation, our entire right, title and interest in and to the invention in the United States and its territorial possessions and in all foreign countries and our entire right, title and interest in and to any and all patents which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to all divisions, reissues, continuations and extensions thereof.

We hereby authorize and request the Patent and Trademark Officials in the United States and any and all foreign countries to issue any and all patents, when granted, to said NAVSYS Corporation, as the asignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of said NAVSYS Corporation, its successors and assigns.

IN WITNESS WHEREOF, we have hereunto set our hands and seals.
