**DESIGN PATENT APPLICATION
ATTORNEY DOCKET NO. 10002261-1**

**ASSIGNMENT TO HEWLETT-PACKARD COMPANY
FROM LUNAR DESIGN INCORPORATED**

LUNAR DESIGN INCORPORATED, a California corporation having its principal place of business at 537 Hamilton Avenue, Palo Alto, California 94301 (hereinafter referred to as "Assignor"), has agreed and hereby agrees to assign to Hewlett-Packard Company, a Delaware corporation having its principal place of business at Palo Alto, California, in furtherance of obligations to Hewlett-Packard Company and other good and valuable consideration the receipt of which is hereby acknowledged, and does hereby sell, assign and transfer to Hewlett-Packard Company, its successors and assigns, its entire right title and interest, including the right of priority, in, to and under an application for Letters Patent of the United States entitled:

Title of Invention: **DISPLAY MONITOR**

Inventors: **Thomas S. Neal, Diane S. Palme, Andrew Zee, Jeffrey Allen Salazar, and Kenneth D. Wood**

Filing Date: **SEPTEMBER 22, 2000;** Serial No.: **29/129,893**

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (CIP's), divisionals, renewals of and substitutes for said application for Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and any reissue, or reexaminations, or extensions of said Letters Patents. (The attorney responsible for filing the above application for Letters Patent is hereby authorized to fill in the filing date and serial number as soon as that information becomes available.)

Assignor additionally authorizes Hewlett-Packard Company, its successors, assigns, nominees or legal representatives to file applications in the name of the named inventors for Letters Patent in any country, to be held and enjoyed by Hewlett-Packard Company, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment, sale and transfer not been made;

AND Assignor hereby covenants and agrees that Assignor will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent to Hewlett-Packard Company, its successors, assigns, nominees or legal representatives, and Assignor agrees to communicate to Hewlett-Packard Company, or to its nominees, all know facts respecting said invention(s) or improvement(s), said application and said Letters Patents, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and

divisionals, continuations, CIP's, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid Hewlett-Packard Company, its successors, assigns, nominees and legal representatives to obtain and enforce, for its own behalf, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by Assignor in lending such cooperation and assistance are paid by Hewlett-Packard Company;

AND Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to Hewlett-Packard Company, as assignee of Assignor, the entire right, title and interest in and to any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States, which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

For the consideration set forth above and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor also hereby assigns to Hewlett-Packard Company all of its right, title, and interest in and to all works of authorship embodied within said invention(s) or improvement(s) without restriction and any derivation/modifications thereof including, without limitations, all rights of authorship, including copyright, associated therewith. In accordance with the assignment of rights set forth above, Assignor further agrees without requiring payment of additional consideration to execute any subsequent documents necessary to perfect the rights of Hewlett-Packard Company or its assignees in such works of authorship including any additional assignments and applications for federal copyright registrations.

IN WITNESS WHEREOF, we have hereunto set our hands and seals:
