## ASSIGNMENT

I, Martin William Myerscough, a citizen of Great Britain residing at Crosstrees, Broom Heath, Woodbridge, Suffolk, IP12 4DL, Great Britain have made an invention relating to WASHING MACHINE and have executed an application for United States Letters Patent based thereon and identified by attorney's File No. 32414.21.1, and naming the following inventor: Martin William Myerscough, Application No. 09/692,771, filed October 18, 2000.

In exchange for good and valuable consideration, the receipt of which I now acknowledge, I hereby assign to Monotub Industries, plc a British company having offices at 42-46 High Street, Esher, Surrey, KT10 9QY, United Kingdom, its successors and assigns:

(1) The entire right, title and interest to the above-identified invention and application;

(2) The entire right, title and interest to any United States or foreign Letters Patents which may issue with respect to the above-identified invention;

(3) The entire right, title and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above-identified invention and application; and

(4) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

We further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as Monotub Industries, plc its successors and assigns may deem necessary to fully secure its rights, title or interest as outlined herein.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue to Monotub Industries, plc any Letters Patents which may be granted in accordance with this Assignment.

Dated this 22nd day of January, 2001, 2000.
