IN CONSIDERATION of the sum of One Dollar (\$1.00) to me in hand paid, and for other good and valuable consideration, receipt and sufficiency of which I hereby acknowledge, I,

ERNEST J. WICHERT

believing myself to be the inventor of a certain invention or discovery in

METHOD AND CONTROL SYSTEM FOR CONTROLLING MULTIPLE COMPRESSORS

as fully set forth and described in my application for United States Letters Patent executed concurrently herewith

and being the owner of all right, title and interest in and to said application and invention, warranting that I have not granted or agreed to grant to others any assignments, licenses, mortgages, or other rights or encumbrances regarding said application and invention, and believing that I have full right to convey the entire interest, both legal and equitable herein assigned, do hereby sell, assign, transfer and set over unto

SCALES AIR COMPRESSOR

its assigns and nominees, the entire right, title and interest in and to said application and invention together with any and all other applications and patents either United States or foreign upon the same invention which I may now or hereafter have, and all divisions, reissues, continuations, continuations-in-part, substitutions and extensions thereof and all rights to obtain patents thereon, together with the right to apply for letters patent in foreign countries with full benefit of such priorities as may now or hereafter be granted to us by law or by treaty, including any international convention.

And I hereby covenant and agree that I will communicate to said Assignee,

SCALES AIR COMPRESSOR

its assignees and nominees, all facts known to me respecting said invention and will, upon their request at any time, but without expense to me, sign all lawful papers, execute all original, divisional, substitute, continuing and reissue applications and assignments, make all rightful oaths, testify as to facts relating to said invention in any legal proceedings, and generally do everything reasonable and proper to aid said Assignee,

its assigns and nominees, to receive proper protection for said invention in all countries.
