Whereas, Lerner Pharmaceuticals, Inc. (hereinafter "LPI," formerly known as Bunsen Rush I, Inc.) a State of Connecticut corporation having a place of business at 270 Amity Road, Suite 124, Woodbridge, CT 06525 desires to acquire BRL's right, title and interest, to the extent BRL has any such right, title or interest in said patent applications, and any and all patents of the United States and of all other countries which may be granted for said inventions, or any of them.

Now therefore, in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations to it paid by LPI, the receipt whereof is hereby acknowledged, BRL in accordance to BRL's Agreement and Plan of Reorganization and Corporate Separation effective December 29, 2000, does hereby sell, assign and transfer to LPI, *nunc pro tunc* as of December 29, 2000, BRL's entire right, title and interest, to the extent BRL has any such right, title and interest, in and to said patent applications, all inventions therein disclosed and any and all patents of the United States and of all other countries which may be granted for said inventions, or any of them.

Said LPI, its successors and assigns, shall have, hold and enjoy BRL's right, title and interest in and to said patent applications, all inventions therein disclosed and any and all patents of the United States and of all other countries which may be granted for said inventions, or any of them, to LPI and LPI's own use and behalf to the full end of the term or terms for which said Letters Patent Applications and all patents of the United States and of all other countries which may be granted for said inventions, have been and may be granted as fully and entirely as the same would have been held and enjoyed by BRL had this assignment and sale not been made, including the right to sue for past infringement.

This assignment is without representation or warranty, express or implied, that BRL has any right, title or interest in said patent applications, and any and all patents of the United States and of all other countries which may be granted for said inventions, or any of them.

And it is hereby authorized and requested of the Commissioner of Patents to issue any additional Letters Patents as may be granted on said inventions to said Assignee in accordance with the terms of this instrument.
