## ASSIGNMENT

WHEREAS, we, the undersigned, of the addresses set forth below, have jointly created a new, original and ornamental design described and shown in an application for a design registration of Israel entitled "WATER GUN BODY" and filed on August 31, 2000, under application no. 34073; and

WHEREAS, LEGO IRRIGATION LTD., a corporation organized and existing under the laws of Israel and having an office for the transaction of business at Industry Zone, Kyrat Nordau, Natanya, Israel, is desirous of acquiring the entire right, title and interest for the United States of America, in and to said design and improvements thereof, and in and to an application for United States Design Letters Patent therefor, and any and all United States Design Letters Patent which may be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we assign to Assignee all right, title and interest for the United States in and to said design and all priority rights under the Paris Convention based on said Israel design application no. {NUMBER] and in and to said United States application, which we have executed concurrently herewith, and all United States Design Letters Patent which may be granted therefor, and all divisions, reissues, continuations, continuations-in-part and extensions thereof; and we hereby authorize and request the U. S. Commissioner of Patents and Trademarks to issue all Design Letters Patent for said design to Assignee.

We further agree to execute promptly upon request by Assignee any and all powers of attorney, applications, assignments, declarations, affidavits, and any other documents in connection therewith necessary to perfect such right, title and interest for the United States of America in Assignee and to enable Assignee to file and maintain such United States applications.

We will communicate to Assignee any facts known to us respecting any improvements; and, at the expense of Assignee, we will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce

- 2 -

proper protection for said design in the United States of America.

This Assignment shall be binding on the parties' successors, assigns and legal representatives.
