ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we

Christopher M. Jagers and Robert L. McMahan

hereby sell, assign and transfer to Dell Products, L.P., a Texas Limited Partnership corporation, having a place of business at One Dell Way, Round Rock, Texas 78682-2244, its successors and assigns, the entire right, title and interest throughout the world in our invention in:

Docking Station For Wireless Communication Device

for which we have executed a United States patent application on or about the date of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 27th day of February, 2001.

Christopher M. Jagers

Executed this 27th day of February, 2001.
