PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT ("ASSIGNMENT") is made and entered into and effective as of the 1st day of December, 2000, by and between Kenneth Carter, an individual residing in the State of Florida ("Assignor"), and the ODIE KENNETH CARTER REVOCABLE TRUST UTA DATED JULY 16, 1999, established under the laws of the State of Kansas, and the CAROL S. CARTER REVOCABLE TRUST UTA DATED JULY 16, 1999, established under the laws of the State of Kansas (collectively "Assignees").

WHEREAS, Assignor represents and warrants that he owns all right, title, and interest in, to, and under United States Patent Application Serial No. 09/616,401, titled REVENUE BALANCING METHOD AND COMPUTER PROGRAM and filed on July 14, 2000, including the inventions described and/or claimed therein (the "Patent Assets"); and

WHEREAS, Assignees each desire to acquire an undivided one-half (1/2) interest in all right, title, and interest in, to, and under the Patent Assets;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties further agree as follows:

Assignor does hereby sell, assign, transfer, and set over unto said Assignees, each an undivided one-half (1/2) interest in the entire right, title, and interest in, to and under the Patent Assets, including any reissues or reexaminations thereof, and any continuing, continuation, continuation-in-part, divisional, foreign counterpart, and/or Patent Cooperation Treaty applications which may be hereinafter filed, and in and to any Letters Patent which may be granted and issued, in and for the United States of America and all foreign countries, including all treaty and convention rights, as well as any and all know-how and/or confidential, proprietary, and/or trade secret information relating thereto, and the right to sue for present, past, and future infringement, enforce any rights and file any causes of action related thereto (either in law or equity), and to all income, royalties, fees, damages, and payments now or hereafter due or payable in respect thereto, the same to be held and enjoyed by said Assignees, their successors and assigns, to the full extent permissible under any applicable laws and ends of the terms for which all Letters Patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

Assignees are hereby authorized to make applications for and to receive Letters Patents for said inventions in any countries at their election. The Assistant Commissioner for Patents is hereby authorized and requested to issue any and all Letters Patents of the United States for said inventions to said Assignees. And by this covenant the Assignor agrees to execute or procure any further necessary assurance of title to said invention and Letters Patent; and at any time, upon the request and at the expense of said Assignees, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patents which may be granted therefor in said Assignees, their successors, assigns or other legal

representatives, and, upon the request and at the expense of said Assignees, will execute any additional or divisional applications for patents for said invention, or any part or parts thereof, and for the reissue of any Letters Patents to be granted therefor, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of said Assignees, their successors, assigns, or other legal representatives.
