and the entire right, title and interest in and to said United States patent application and any divisions, continuations and continuations-in-part of said application and any patent applications claiming subject matter common thereto or corresponding thereto filed in the United States and/or foreign countries including all rights to claim priority and in and to any and all Letters Patent which may be granted on said applications in the United States and its territorial possessions and in any and all foreign countries and in and to any and all reissues, re-examinations and extensions of such Letters Patent.

We hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment, and we authorize and request the Patent Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Jacobus Pharmaceutical Co. Inc., as the assignee of our entire right, title and interest in and to the same, for the sole use and behalf of said Jacobus Pharmaceutical Co. Inc., its successors and assigns.

FURTHER, we agree that we will communicate to said Jacobus Pharmaceutical Co. Inc., or its representatives, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all patent applications with respect thereto, including divisional, continuation, substitution, renewal and reissue applications, execute all assignment papers to cause any and all of said Letters Patent to be issued to said Jacobus Pharmaceutical Co. Inc., make all rightful oaths and generally do everything possible to aid said Jacobus Pharmaceutical Co. Inc., its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.
