have invented certain new and useful improvements

in Fuel Delivery System for a Marine Propulsion Device

for which an application is about to be made for Letters Patent of the United States, said application having
been executed on the 6th day of March, 2001, the 6th day of March, 2001,
the 6th day of March, 2001, the _____ day of _____, 20____; the _____
day of _____, 20____.

Whereas, Brunswick Corp., a corporation organized and existing under the laws of the State of
Delaware, and having its principal offices at 1 N. Field Court, Lake Forest, Illinois U.S.A. is desirous of
acquiring the entire right, title and interest in and to said invention, said application and in, to and under
any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration to us paid by the said Brunswick Corp., we have
sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said
Brunswick Corp., its successors and assigns, our entire right, title and interest in and to said invention,
said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of
our rights under any and all international conventions, treaties and/or agreements concerning patents to which
the United States is a party, and we do hereby authorize and request the Commissioner of Patents to issue said
Letters Patent to the above mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate,
to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to
claim the filing date of said United States application and/or otherwise take advantage of the provisions of
any international convention, treaty and/or agreement.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not
execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or
administrators will at any time upon request, without further or additional consideration, but at the expense
of the said assignee, its successors and assigns, execute such additional writings and do such additional acts
as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's
enjoyment of this grant, and render all necessary assistance in making application for and obtaining original,
divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on
said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving
testimony in any proceedings or transactions involving such applications or patents.
