No.: 003242.P014 (For Execution After Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we,  
the undersigned, James Murray and Jean-Didier Allegrucci

hereby sell, assign, and transfer to Triscend Corporation  
a corporation of Delaware, having a principal place of business at  
301 N. Shisman Road, Mountain View, CA 94043, ("Assignee"),  
and its successors, assigns, and legal representatives, the entire right, title, and interest for the  
United States and all foreign countries, in and to any and all improvements that are disclosed in the  
application for the United States patent that was filed December 8, 20 00 and assigned Application  
No. 09/733,401 and is entitled

"DMA Protocol Extension for Packet-Based Transfer"

and in and to said application and all divisional applications, continuation applications, continued  
prosecution applications, continuation-in-part applications, substitute applications, renewal applications,  
reissue applications, reexaminations, extensions, and all other patent applications that have been or shall  
be filed in the United States and all foreign countries on any of said improvements; and in and to all  
original patents, reissued patents, reexamination certificates, and extensions that have been or shall be  
issued in the United States and all foreign countries on said improvements; and in and to all rights of  
priority resulting from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said improvements in  
its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its  
successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this  
Assignment, the undersigned will execute all divisional applications, continuation applications,  
continued prosecution applications, continuation-in-part applications, substitute applications, renewal  
applications, reissue applications, reexaminations, extensions, and all other patent applications on any  
and all said improvements; execute all rightful oaths, assignments, powers of attorney, and other papers;  
communicate to said Assignee, its successors, assigns, and representatives all facts known to the  
undersigned relating to said improvements and the history thereof; and generally assist said Assignee, its  
successors, assigns, or representatives in securing and maintaining proper patent protection for said  
improvements and for vesting title to said improvements, and all applications for patents and all patents  
on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no  
assignment, grant, mortgage, license, or other agreement affecting the rights and property herein  
conveyed has been made to others by the undersigned, and that full right to convey the same as herein  
expressed is possessed by the undersigned.
