## ASSIGNMENT

WHEREAS, we, Josef V. Koblish, residing at 3898 Magnolia Drive, Apt. 3, Palo Alto, California 94306, Anant V. Hegde, residing at 36105 Toulouse Street, Newark, California 94560, and David K. Swanson, residing at 1458 Ridgeley Drive, Campbell, California 95008 (collectively the "ASSIGNORS"), have invented a new and useful **Surgical Probe For Supporting Inflatable Therapeutic Devices In Contact With Tissue In Or Around A Body Orifice And Within Tumors**, for which an application was filed in the United States Patent and Trademark Office on December 13, 2000 under U.S. application Serial No. 09/737,176; and

WHEREAS, SCIMED Life Systems, Inc., a corporation having a principle place of business at One SCIMED Place, Maple Grove, Minnesota, desires to acquire the exclusive right, title and interest in and to said invention and in and to any Letters Patent to be granted and issued therefor in the United States of America, its territories and possessions; and

WHEREAS, Boston Scientific Limited, a corporation formed under the laws of the Republic of Ireland, having a place of business at Financial Services Centre, P.O. Box 111, Bishop's Court Hill, St. Michael, Barbados, West Indies, desires to acquire the exclusive right, title and interest in and to said invention and in and to any Letters Patents to be granted and issued therefor in all countries foreign to the United States of America.

NOW, THEREFORE, for valuable consideration, the receipt and legal sufficiency of all of which is hereby acknowledged, we, said ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto SCIMED Life Systems, Inc., its successors and assigns, the entire right, title and interest in and to said inventions and all improvements thereon, in and to said application for Letters Patent thereon, in and to applications pertaining to or based upon said inventions and applications, including divisional and continuing applications and continuations-in-part, in and to any and all Letters Patent which may be granted and issued on said inventions and applications, or any of them, for, to and in the United States of America, its territories and possessions, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment; and

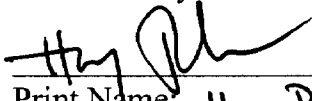

FURTHER, THEREFORE, for valuable consideration, the receipt and legal sufficiency of all of which is hereby acknowledged, we, said ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto Boston Scientific Limited, its successors and assigns, the entire right, title and interest in and to said inventions and all improvements thereon, in and to said application for Letters Patent thereon, in and to applications pertaining to or based upon said inventions and applications, including divisional and continuing applications and continuations-in-part, in and to any and all Letters Patent which may be granted and issued on said inventions and applications, or any of them, not only for, to and in all countries foreign to the United States of America including any and all priority rights arising under International Treaty and/or Convention.

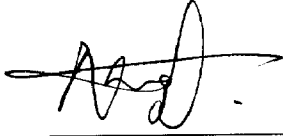

And for the above-named considerations, we do hereby agree that we will, at the request of SCIMED Life Systems, Inc. or Boston Scientific Limited, or their respective successors and assigns, execute any and all applications for Letters Patent for said inventions and any and all other papers and documents and do all other and further lawful acts that SCIMED Life Systems, Inc. or Boston Scientific Limited may deem necessary or desirable to obtain Letters Patent on said inventions, to secure the grant of such Letters Patent and to perfect and vest in SCIMED Life Systems, Inc. or Boston Scientific Limited the entire right, title and interest in the inventions, applications and Letters Patent.

The undersigned hereby authorizes the firm of HENRICKS, SLAVIN & HOLMES LLP to correct errors in this assignment or to insert any further identification or other information necessary or desirable to make this assignment suitable for recordal in the United States Patent Office.

And for the above-named considerations, the undersigned do hereby authorize and empower the SCIMED Life Systems, Inc. or Boston Scientific Limited, or their respective successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for said inventions before competent International Authorities and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.
