its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title
and interest, for the United States, in and to certain inventions relating to
IMAGE FORMING APPARATUS

and described in an application for Letters Patent of the United States executed by each of us, respetively, on the
date indicated below and in and to said application, and all divisions, renewals and continuations thereof, and all
Letters Patent of the United States which may be granted, thereon, and all reissues and extensions thereof; and we
hereby authorize and request the Commissioner for Patents and Trademarks of the United States to issue all
Letters Patent upon said inventions to the Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for any application for
patent or other form of protection for said inventions, the benefit of the right of priority provided by the
International Convention for the Protection of Industrial Property, as amended, or by any convention which may
henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral
authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of
any assignment, consent to file or like document which may be required in the United States for any purpose and
more particularly in proof of the right of said Assignee or nominees to claim the aforesaid benefit of the right of
priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any
convention which may henceforth be substituted for it.

AND we hereby covenant that we have the full right to convey the entire right, title and interest herein
assigned and that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts known
to us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers,
execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general
perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and
enforcing all lawful patent protection for said inventions in the United States.
