THIS AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, supplemented or otherwise modified from time to time, this "Agreement") is entered into as of March 14, 2001, between ASSOCIATED HYGIENIC PRODUCTS LLC, a Delaware limited liability company (the "Pledgor"), and FOOTHILL CAPITAL CORPORATION, a California corporation, in its capacity as administrative agent for the benefit of the Lender Group (as defined in the Loan Agreement, defined below).

referred to as the “Trademarks”); and (b) all proceeds of any and all of the foregoing, including, without limitation, license royalties and proceeds of infringement suits.

5. Grant of Security Interest in Patents. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, the Pledgor hereby grants to the Agent, a security interest, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, in all of the Pledgor’s right, title and interest in and to the Pledgor’s now owned or existing and hereafter acquired or arising: (a) patents and patent applications, including, without limitation, the patents and patent applications listed on Schedule 2 attached hereto and made a part hereof, and (i) all renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iii) the right to sue for past, present and future infringements and dilutions thereof, (iv) the goodwill of the Pledgor’s business symbolized by the foregoing and connected therewith, and (v) all of the Pledgor’s rights corresponding thereto throughout the world (all of the foregoing patents and patent applications, together with the items described in clauses (i)-(v) in this Section 5(a), are sometimes hereinafter individually and/or collectively referred to as the “Patents”); and (b) all proceeds of any and all of the foregoing, including, without limitation, license royalties and proceeds of infringement suits.

6. Grant of Security Interest in Copyrights. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, the Pledgor hereby grants to the Agent, a security interest, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, in all of the Pledgor’s right, title and interest in and to the Pledgor’s now owned or existing and hereafter acquired or arising: (a) copyrights, registrations, and copyright applications, including, without limitation, the copyrights and copyright registrations and copyright applications listed on Schedule 3 attached hereto and made a part hereof, and (i) all renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iii) the right to sue for past, present and future infringements and dilutions thereof, (iv) the goodwill of the Pledgor’s business symbolized by the foregoing and connected therewith, and (v) all of the Pledgor’s rights corresponding thereto throughout the world (all of the foregoing copyrights and copyright registrations, together with the items described in clauses (i)-(v) in this Section 6(a), are sometimes hereinafter individually and/or collectively referred to as the “Copyrights”); and (b) all proceeds of any and all of the foregoing, including, without limitation, license royalties and proceeds of infringement suits.

7. Grant of Security Interest in Trademark, Patent and Copyright Licenses. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, the Pledgor hereby grants to the Agent, a security interest, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, in all of the Pledgor’s right, title and interest in and to the Pledgor’s now owned or existing and hereafter acquired or arising rights under or interest in any patent, trademark or copyright license agreements with any other party, whether the Pledgor

is a licensee or licensor under any such license agreement, including, without limitation, license agreements listed on Schedule 4 attached hereto and made a part hereof, and the right to use the foregoing in connection with the enforcement of the Agent's rights under the Loan Agreement, including without limitation, the right to prepare for sale and sell any and all Inventory now or hereafter owned by the Pledgor and now or hereafter covered by such licenses (all of the foregoing are hereinafter referred to collectively as the "Licenses"). Notwithstanding the foregoing provisions of this Section 7, the Licenses shall not include any license agreement in effect as of the date hereof which by its terms prohibits the grant of the security interest contemplated by this Agreement; provided, however, that upon the termination of such prohibitions for any reason whatsoever, the provisions of this Section 7 shall be deemed to apply thereto automatically.

8. Restrictions on Future Agreements. The Pledgor shall not, without the Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and the Pledgor further agrees that it will not take any action, and will use its best efforts not to permit any action to be taken by others subject to its control, including, without limitation, licensees, or fail to take any action, which would in any material respect adversely affect the validity or enforcement of the rights transferred to the Lender under this Agreement or the rights associated with the Trademarks, Patents, Copyrights or Licenses.

9. New Trademarks, Patents, Copyrights and Licenses. The Pledgor represents and warrants that, from and after the date hereof, (a) the Trademarks listed on Schedule 1 include all of the trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications now owned or held by the Pledgor, (b) the Patents listed on Schedule 2 include all of the patents and patent applications now owned or held by the Pledgor, (c) the Copyrights listed on Schedule 3 include all of the copyrights, copyright registrations and copyright applications now owned or held by the Pledgor, (d) the Licenses listed on Schedule 4 include all of the patent, trademark or copyright license agreements under which the Pledgor is the licensee or licensor, and (e) no Liens, claims or security interests in such Trademarks, Patents, or Licenses have been granted by the Pledgor to any Person other than the Agent and except as disclosed in the Loan Agreement. If, prior to the termination of this Agreement, the Pledgor shall (i) obtain rights to or become entitled to the benefit of any new trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) obtain rights to or become entitled to the benefit of any patent or patent application or any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, (iii) obtain rights to or become entitled to the benefit of any new copyrights, copyright application or any continuation or extension of any copyright, (iv) obtain rights to or become entitled to the benefit of any new license agreements, whether as licensee or licensor, or license renewals, or (v) enter into any new license agreement consistent with Section 8, the provisions of Section 4, 5, 6 and 7 above shall automatically apply thereto (to the extent permitted by licensors under agreements in connection with the granting of such licenses). The Pledgor shall give to the Agent written notice of events described in clauses (i), (ii), (iii), (iv) and (v) of the preceding sentence promptly, and in any event within fifteen (15) days, after the occurrence thereof. The Pledgor hereby authorizes the Agent to modify this Agreement unilaterally (i) by amending Schedule 1 to include any future trademarks, trade names, registered

trademarks, trademark applications, service marks, registered service marks and service mark applications, which are Trademarks under Section 4 above or under this Section 9, (ii) by amending Schedule 2 to include any future patents and patent applications, which are Patents under Section 5 above or under this Section 9, (iii) by amending Schedule 3 to include any future copyrights, copyright registrations and copyright applications, which are Copyrights under Section 6 above or under this Section 9, (iv) by amending Schedule 4 to include any future license agreements which are Licenses under Section 8 above or under this Section 9, and (v) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule 1 thereto, as the case may be, such future trademarks, tradenames, registered trademarks, trademark applications service marks, registered service marks and service mark applications and containing on Schedule 2 thereto, as the case may be, such future patents and patent applications and containing on Schedule 3 thereto, as the case may be, such future copyrights and copyright applications and containing on Schedule 4 thereto, as the case may be, such future license agreements.

10. Royalties. The Pledgor hereby agrees that the use by the Agent of the Trademarks, Patents, Copyrights and Licenses as authorized hereunder in connection with the Agent's exercise of its rights and remedies under Section 19 or pursuant to any Loan Document shall be coextensive with the Pledgor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Lender Group to the Pledgor.

11. Right to Inspect; Further Assignments and Security Interest. The Agent may from time to time hereafter (at the Pledgor's expense) have access to, examine, audit, make copies and extracts from and inspect the Pledgor's premises and examine the Pledgor's books, records and operations relating to the Trademarks, Patents, Copyrights and Licenses, provided that if no Event of Default has occurred and is continuing, Agent shall only conduct any such inspection during normal business hours. The Pledgor agrees (i) not to sell or assign any of its interests in, or grant any license under, the Trademarks, Patents and Copyrights without the prior and express written consent of the Agent (which shall not be unreasonably withheld or delayed), and (ii) not to sell or assign its respective interests in the Licenses without the prior and express written consent of the Agent (which shall not be unreasonably withheld or delayed).

12. Nature and Continuation of the Agent's Security Interest; Termination of the Agent's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks, Patents, Copyrights, and Licenses and shall terminate only when the Obligations have been paid in full in cash and all obligations of the Lender Group to extend credit to the Pledgor under the Loan Agreement have terminated. When this Agreement has terminated, the Agent shall promptly execute and deliver to the Pledgor, at the Pledgor's expense, all termination statements and other instruments as may be necessary or proper to terminate the Agent's security interest in the Trademarks, Patents, Copyrights and Licenses, subject to any disposition thereof which may have been made by the Agent or the Lender Group, or any of them pursuant to this Agreement.

13. Duties of the Pledgor. The Pledgor shall have the duty, to the extent desirable in the normal conduct of the Pledgor's business, (a) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, (b) to prosecute diligently

any patent application that is part of the Patents pending as of the date hereof or hereafter until the termination of this Agreement, (c) to prosecute diligently any copyright application that is part of the Copyrights pending as of the date hereof or hereafter until the termination of this Agreement and (d) to take all reasonable and necessary action to preserve and maintain all of the Pledgor's rights in the Trademarks, Patents, Copyrights and Licenses. The Pledgor further agrees (i) not to abandon any Trademark, Patent, Copyright or License that is necessary or economically desirable in the operation of the Pledgor's business without the prior written consent of the Agent (which shall not be unreasonably withheld or delayed), and (ii) to use its best efforts to maintain in full force and effect the Trademarks, Patents, Copyrights and Licenses that are or shall be necessary or economically desirable in the operation of the Pledgor's business. Any expenses incurred in connection with the foregoing shall be borne by the Pledgor. Neither the Agent nor any other member of the Lender Group shall have any duty with respect to the Trademarks, Patents, Copyrights or Licenses. Without limiting the generality of the foregoing, the Agent shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks, Patents, Copyrights or Licenses against any other parties, but the Agent may do so at its option from and after the occurrence of an Event of Default, and all expenses incurred in connection therewith shall be for the sole account of the Pledgor and shall be added to the Obligations secured hereby.

14. Indemnification by the Pledgor. The Pledgor hereby agrees to indemnify and hold harmless the Agent and each other member of the Lender Group for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including, without limitation, reasonable attorneys' fees) of any kind whatsoever which may be imposed on, incurred by or asserted against the Agent and each other member of the Lender Group in connection with or in any way rising out of any suits, proceedings or other actions, relating to any or all of the Trademarks, Patents, Copyrights or Licenses (including, without limitation, whether brought by the Pledgor or any other Person, suits, proceedings or other actions in which an allegation of liability, strict or otherwise, is or may be made by any Person who alleges or may allege having suffered damages as a consequence of alleged improper, imprudent, reckless, negligent, willful, faulty, defective or substandard design, testing, specification, manufacturing supervision, manufacturing defect, manufacturing deficiency, publicity or advertisement or improper use, howsoever arising or by whomsoever caused, of any inventions disclosed and claimed in the Patents or any of them); unless with respect to any of the above, the Agent or any other member of the Lender Group is judicially determined to have acted or failed to act with gross negligence or willful misconduct. The indemnification in this section shall survive the termination of this Agreement.

15. The Agent's Right to Sue. From and after the occurrence of an Event of Default, the Agent shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks, Patents, Copyrights and Licenses and, if the Agent shall commence any such suit, the Pledgor shall, at the request of the Agent, do any and all lawful acts and execute any and all proper documents reasonably required by the Agent in aid of such enforcement. The Pledgor shall, upon demand, promptly reimburse the Agent for all costs and expenses incurred by the Agent in the exercise of its rights under this Section 15 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for the Lender).

16. Waivers. The Agent's failure, at any time or times hereafter, to require strict performance by the Pledgor of any provision of this Agreement shall not waive, affect or diminish any right of the Agent thereafter to demand strict compliance and performance therewith nor shall any course of dealing between the Pledgor and the Agent have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of the Pledgor contained in this Agreement shall be deemed to have been suspended or waived by the Agent unless such suspension or waiver is in writing signed by an officer of the Agent, and directed to the Pledgor and specifying such suspension or waiver.

17. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. Modification. Neither this Agreement nor any provision hereof may be altered, amended or modified in any way, except as specifically provided in Section 9 hereof or in a written instrument signed by the parties hereto.

19. Power of Attorney; Cumulative Remedies.

(a) The Pledgor hereby irrevocably designates, constitutes and appoints the Agent (and all officers and agents of the Agent designated by the Agent in its sole and absolute discretion) as the Pledgor's true and lawful attorney-in-fact, and authorizes the Agent and any of the Agent's designees, in the Pledgor's or the Agent's name, upon the occurrence and during the continuance of an Event of Default to take any action and execute any instrument necessary or reasonably advisable to accomplish the purposes of this Agreement, including, without limitation, to (i) endorse the Pledgor's name on all applications, documents, papers and instruments necessary or reasonably desirable for the Lender in the use of the Trademarks, Patents, Copyrights or Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks, Patents, Copyrights or Licenses to anyone, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks, the Patents, the Copyrights or the Licenses to anyone, and (iv) take any other actions with respect to the Trademarks, the Patents, the Copyrights or the Licenses as the Lender reasonably deems in its best interest for the payment of the Obligations. The Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated. The Pledgor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Agent or any other member of the Lender Group under the Loan Agreement or any other Loan Document, but rather is intended to facilitate the exercise of such rights and remedies.

(b) The Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and

remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks, Patents, Copyrights or Licenses may be located or deemed located. Upon the occurrence of an Event of Default and the election by the Lender to exercise any of its remedies under Section 9-504 or Section 9-505 of the Uniform Commercial Code or the equivalent provisions of revised article 9 of the Uniform Commercial Code, as in effect in any jurisdiction, with respect to the Trademarks, Patents, Copyrights or Licenses, the Pledgor agrees to assign, convey and otherwise transfer title in and to the Trademarks, Patents, Copyrights and Licenses to the Agent or any transferee of the Agent and to execute and deliver to the Agent or any such transferee all such agreements, documents and instruments as may be necessary, in the Agent's sole discretion, to effect such assignment, conveyance and transfer. All of the Agent's rights and remedies with respect to the Trademarks, Patents, Copyrights and Licenses, whether established hereby, by the Loan Agreement or by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence of an Event of Default, the Agent may exercise any of the rights and remedies provided in this Agreement, the Loan Agreement or any of the other Loan Documents. The Pledgor agrees that any notification of intended disposition of any of the Trademarks, Patents, Copyrights or Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) days before such disposition; provided, however, that the Agent may give any shorter notice that is commercially reasonable under the circumstances.

20. Successors and Assigns. This Agreement shall be binding upon the Pledgor and its successors and assigns, and shall inure to the benefit of the Agent, each Lender and their nominees, successors and assigns. The Pledgor's successors and assigns shall include, without limitation, a receiver or a trustee of the Pledgor; provided, however, that the Pledgor shall not voluntarily assign or transfer its rights or obligations hereunder without the Agent's prior written consent.

21. Governing Law. This Agreement shall be construed in accordance with and governed by the laws and decisions of the State of Georgia applicable to agreements made and to be performed in Georgia without reference to the conflicts or choice of law principles thereof.

22. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Loan Agreement.

23. Paragraph Titles. The paragraph titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

24. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of a counterpart hereof via facsimile transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

25. Agent. Each reference herein to any right granted to, benefit conferred upon, or power exercisable by, the "Agent" shall be a reference to the Agent for the benefit of

the Lender Group, and each action taken or right exercised hereunder shall be deemed to have been so taken or exercisable by the Agent for the benefit of the members of the Lender Group.

26. Merger. This Agreement, together with the other Loan Documents, represents the final agreement of the Pledgor and the Agent with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between the Pledgor and the Agent.

27. Effectiveness. This Agreement shall become effective on the Closing Date.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
