ASSIGNMENT

Attorney Docket No.

S01.12-0615/STL9383

WHEREAS, I, Shri Hari Narayan, of Minneapolis, State of Minnesota, USA, Paul E. Kupinski, of Bloomington, State of Minnesota, USA and Sandeepan Bhattacharya, of Bloomington, State of Minnesota, USA, are the inventors of an invention entitled METHOD AND APPARATUS FOR IMPROVED ROLL STATIC ANGLE ADJUSTMENT that is the subject matter of an international application for Letters Patent filed pursuant to the Patent Cooperation Treaty and designating the United States, the international application being identifiable in the United States Receiving Office by Application No. _____, filed _____, and of an application for Letters Patent of the United States that derives benefit from the international application, the United States application being identifiable in the United States Patent and Trademark Office by Application No. _____, filed _____ or on the same date as the international application; and

WHEREAS, Seagate Technology LLC, a limited liability company organized and existing under the laws of the State of Delaware, and having offices at 920 Disc Drive, Scotts Valley, California, 95066, ("Assignee") is desirous of acquiring the entire right, title and interest in and to the invention, the applications, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I transfer to Assignee, its successors and assigns, my entire right, title and interest in and to the invention, the above-identified applications, all Provisional Applications from which any of the above-identified applications claim priority, corresponding domestic and foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and I authorize the Director of the United States Patent and Trademark Office or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date(s) and application numbers when ascertained. I further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries and appoint Assignee the common representative in the above identified international application and any international application for the invention.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
