(hereafter ASSIGNEE), the receipt of which is hereby acknowledged, the undersigned persons hereby sell, assign and transfer to ASSIGNEE any and all right, title and interest that they may have in and to an invention titled

DENSIFYING OF A BULK PARTICULATE MATERIAL,

for which an application for patent was filed on 26 June 1998 in South Africa and assigned the South African Patent Application No. 98/5615, and

for which an International Application for patent was filed on 25 June 1999 in South Africa pursuant to the Patent Cooperation Treaty (PCT) and assigned the International Application Number PCT/IB99/01199,

and to the application for patent which shall be, or has been, filed in the United States as the national stage entry for the PCT International Application cited above, and to any and all patent(s) which may be granted on the U.S. application for patent and/or on any continuation, division, renewal, substitute, reissue or reexamination thereof, for the full term or terms for which the same may be granted.

ASSIGNORS also authorize and request the Commissioner of Patents to issue any and all of the patent(s) granted on the U.S. application for patent to the ASSIGNEE for its sole use and benefit, and for the use and benefit of the successors, assigns and legal representatives of the ASSIGNEE, to the end of the term or terms for which the patent(s) may be granted, as fully and entirely as the same would have been held by ASSIGNOR had this Assignment not been made.

ASSIGNORS also agree to do any and all lawful acts, including executing all papers necessary in connection with the U.S. application for patent and/or any of the patents granted thereon, which in the judgment of the ASSIGNEE may be necessary or desirable to vest in, secure for, or maintain for the benefit of the ASSIGNEE patent rights in the United States with respect to the U.S. application for patent and/or any of the patents covered by this Assignment.

ASSIGNORS further agree to execute all papers necessary in connection with any interference or litigation which may be declared concerning the U.S. application for patent and/or any of the patents granted thereon and to cooperate with the ASSIGNEE in every way possible in obtaining and producing evidence and proceeding with such interference or litigation.

ASSIGNORS also assign and transfer to ASSIGNEE all causes of action, rights and remedies that may arise, prior to or after the effective date of this Assignment, under the U.S. application for patent and/or any of the patents granted thereon.

Executed this 9 day of MARCH, 2001, at PRETORIA.
