ASSIGNMENT

WHEREAS, SEA WISE MARINE INC., (hereinafter called the "Assignor"), of Delta, British Columbia, Canada, is the owner of certain inventions or improvements described and claimed in United States Patent No. 5,522,341, issued on 4 June, 1996 and entitled:

APPARATUS TO RAISE A SMALL BOAT

AND WHEREAS, SEA WISE MARINE (2001) INC., (hereinafter called the "Assignee") whose full post office address is Suite 105 - 7188 Progress Way, Delta, British Columbia, V4G 1M6, Canada, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements, and in and to the said Patent, and in, to and under any and all Patents which may be granted on or as a result thereof in any and all countries;

NOW THEREFORE, in consideration of the sum of ONE (\$1.00) DOLLAR and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor, does hereby sell, assign, transfer and set over to the Assignee the entire right, title and interest in and to the said inventions or improvements and said Patent, and any and all continuations, divisions, renewals of or substitutes for said Patent, and in, to and under any and all Patents which may be granted on or as a result thereof, and any reissue or reissues of said Patents;

AND Assignor hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed and will not execute any agreement in conflict herewith, and Assignor further covenants and agrees that it will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said Patent and any and all continuations, divisions, renewals of or substitutes for said Patent, and in, to and under any and all Patents which may be granted on or as a result thereof, and any reissue or reissues of said Patents, in the Assignee, its successors, assigns, nominees or legal representatives, and Assignor agrees to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, and said Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all

countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND Assignor hereby authorizes and request the Commissioner of Patents and Trademarks of the United States of America and any official of any country or countries foreign to the United States of America whose duty it is to issue patents on applications as aforesaid, to transfer to the Assignee, as assignee of the entire right, title and interest, said Patent for said inventions or improvements, in accordance with the terms of this Assignment.
