ASSIGNMENT

WHEREAS, the undersigned, hereinafter referred to as Assignor, has invented

FAILURE RESISTANT ELECTRIC MOTOR MONITOR AND CONTROL SYSTEM

for which Assignor is about to make United States application for patent; and

WHEREAS, CONTINENTAL TEVES, Inc., a Delaware corporation, having a principle place of business at 4141 Continental Drive, Auburn Hills, Michigan 48326-2356 hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby acknowledged, Assignor by these presents do sell, assign and transfer unto Assignee, its successors in interest, the full and exclusive right in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States and the Paris Convention, to the said invention as described in the specification executed by Assignor of even date preparatory to filing a United States application for patent therefor, said invention and all United States applications for patent and all Letters Patent therefor to be held and enjoyed by Assignee to the full end of the term for which said Letters Patent are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made; and Assignor hereby covenant and agree to execute all instruments or documents required or requested for the making and prosecution of applications for patent in the United States and in all foreign countries, for litigation regarding, or for the purpose of protecting title to the said invention, the United States application for patent, or Letters Patent therefor for the benefit of Assignee without further or other compensation than that above set forth; and Assignor hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States of America to Assignee.
