## ASSIGNMENT

WHEREAS, Ram Shalvi, hereinafter called the "Assignor," has invented a new and useful device entitled SOLAR LAMP, for a full description of which reference is here made to International Application Number PCI/6B91/00866 filed 30 May, 1991, priority date 30 May, 1990 and naming as an elected State the United States of America; and,

WHEREAS, Solar Wide Industrial Limited, a corporation organized and existing under the laws of Hong Kong having its principal office and place of business in Hong Kong, hereinafter called the "Assignee," is desirous of acquiring the entire right, title, and interest in and to said invention, the application above identified, and in, to, and under Letters Patent which may be obtained for said invention, as hereinafter more fully set forth;

NOW, THEREFORE TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient considerations, the receipt of which by the said Assignor from the Assignee is hereby acknowledged, the said Assignor has sold, assigned, and transferred, and by these presents does sell, assign, and transfer unto the said Assignee, the entire right, title, and interest for the United States in and to the invention and application hereinabove identified, and any Letters Patent of the United States that may issue for said invention, together with the entire right, title, and interest in and to said invention and application for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And the said Assignor does hereby covenant and agree, for himself and his legal representatives, that he will assist his said Assignee in the prosecution of the application herein

identified; in the making and prosecution of any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth; in vesting in the said Assignee like exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference which may arise involving said invention, or any application or Letters Patent herein contemplated; and that he will execute and deliver to the said Assignee any and all additional papers which may be requested by the said Assignee to fully carry out the terms of this assignment.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this Assignment.
