ASSIGNMENT

WHEREAS, I, Konstantinos E. Spartiotis, Kulmakatu 2B, 00170, Helsinki, FINLAND, a citizen of Greece, have invented the subject matter described in the United States Patent Application entitled "SEMICONDUCTOR IMAGING DEVICE", filed in the United States Patent and Trademark Office on 29 April 1998; and

WHEREAS, Simage Oy, a corporation organized and existing under and by virtue of the laws of Finland, doing business at Teknilliantie 12, Espoo, Finland 02150, is desirous of acquiring the entire right, title and interest in and to said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned and transferred, and do hereby sell, assign and transfer unto Simage Oy, its successors and assigns, the entire right, title and interest in and to said application and the invention therein contained, including the right to apply for any Letters Patent in the United States of America and in any and all foreign countries on said invention, and any and all other applications for Letters Patent on said invention, in whatsoever countries, including all divisional, renewal, substitute, continuation, and Convention applications based upon said invention or upon said application, to the full end of the term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention, said application, said Letters Patent, the same to be held and enjoyed by Simage Oy, its successors and assigns, the same as it would have been held and enjoyed by me if this assignment and sale had not been made.

And I hereby authorize Simage Oy to file patent applications in any or all countries on any or all of said invention in my name or in the name of Simage Oy, or otherwise as Simage Oy may deem advisable, under any International Convention or otherwise.

And I hereby authorize the Commissioner of Patents and Trademarks of the United States and the empowered officials of all other governments to issue or transfer all said Letters Patent to Simage Oy, as assignee of the entire right, title and interest therein or otherwise as Simage Oy may direct in accordance with this instrument of assignment.

I hereby represent and warrant that there are no rights or interests inconsistent with the rights and interests granted herein, and that I will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein, and I hereby bind myself and my heirs, executors, administrators and legal representatives, as the case may be, to execute and deliver to Simage Oy, its successors and assigns, any further documents or instruments and do any and all further acts that may reasonably be deemed necessary by Simage Oy, to enable Simage Oy, its successors or assigns to file applications for the invention in any country where it may elect to file such applications, and that may be necessary to vest in Simage Oy, its successors and assigns, the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

And I further covenant and agree, in consideration of the premises, that I, my executors and administrators, will at any time, upon request, communicate to Simage Oy, its successors and assigns, any facts relating to the invention and the improvements contained therein and the history thereof, known to me or my executors and administrators, and that we will testify as
